

Greenview

Metallised 3% openness

Greenview Sunscreen

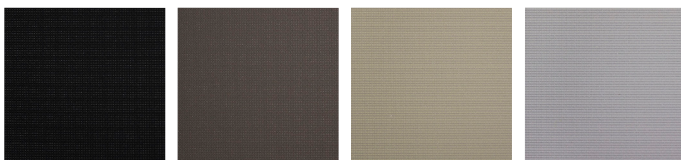

Features

Greenview metallised Sunscreen is a 100% PET (recycled plastic bottles) woven ECO-friendly fabric, containing a minimum of 70% recycled materials. It is PVC, Halogen, Lead and Formaldehyde free, where the range is focused on committing to a healthier approach for the environment. One square metre of Greenview is made from four post-consumer PET bottles. Also available as non-metallised fabric.

Care Instructions

For general care, vacuum gently with a brush attachment. For the removal of dirt and grime, gently wipe fabric skins with a sponge soaked in lukewarm water. Do not wash, rub or steam clean.
